9:00-11:00 - SAST

One and half hour lecture plus Q&A

R695 per delegate

Full payment must be received three days before the webinar. Registrations close three days before the webinar starts.

What are animal rights?

Animal rights means that animals deserve certain kinds of consideration - consideration of what is in their best interests, regardless of whether they are 'cute,' useful to humans, or an endangered species and regardless of whether any human cares about them at all.

“The greatness of a nation and its moral progress can be judged by the way its animals are treated”

- Gandhi

Presented by:

Tony Gerrans

Executive Director at Humane Society International - Africa
