24 March 2021

15:00-17:00 - SAST

One and half hour lecture plus Q&A

R695 per delegate

Full payment must be received three days before the webinar. Registrations close three days before the webinar starts.

“South Africa's highest court gives green light to private use of cannabis”

- Reuters, 18 September, 2018

In 2018 the Constitutional Court ruled that it's no longer a criminal offence for an adult to use, possess, or grow cannabis in private for personal consumption. The first draft bill in South Africa to legalise certain production and use of cannabis has been approved by the cabinet and opened for public comment.
